Reasoning and Infant Cognition
Research Group

Event Cognition

We are looking for **Japanese native speakers** that would like to participate in our study on event cognition.

If you are interested, please use the link or QR code to access the **online form**, which should take about 30 minutes to complete. The form gathers your **impressions** on a series of short movies.

We offer a **reward of 10€**. At this time, payment is only offered via wire transfer as a precautionary measure due to Covid-19.
